CALGARY, AB (November 16, 2022) - ApartmentLove Inc. (CSE: APLV) (OTCQB: APMLF) (“**ApartmentLove**” or the “**Company**”) is pleased to announce that it has been approved to commence trading of its common shares on the OTCQB® Venture Market (“**OTCQB**”), beginning today, November [16], 2022, under the ticker symbol **APMLF**.

“We are pleased to offer investors another respected and professional marketplace for trading our common shares and look forward to increasing the awareness around our company for U.S. investors,” said Trevor Davidson – President & CEO of ApartmentLove. Mr. Davidson added, “We believe that trading on the OTCQB® can lead to overall enhanced liquidity and visibility in these dynamic global capital markets.”

The OTCQB® is a leading market for early-stage and developing U.S. and international companies. Recognized as an established public market by the U.S. Securities and Exchange Commission, the OTCQB® has helped companies build considerable shareholder value including enhanced liquidity and valuation. Investors may benefit from efficient trading through their preferred broker or financial advisor, transparent pricing with real-time quotes, and trusted disclosure that is made broadly available to broker-dealers and market data providers.

The Company is also pleased to announce that its common shares are now fully eligible for electronic clearing and settlement in the United States through the Depository Trust Company (“DTC”).

DTC eligibility is expected to simplify the process of trading and enhance liquidity of the Company’s common shares in the United States.

DTC is a subsidiary of the Depository Trust & Clearing Corporation, a U.S. company that manages the electronic clearing and settlement of publicly traded companies. Securities that are eligible to be electronically cleared and settled through DTC are considered to be “DTC eligible”. This electronic method of clearing securities speeds up the receipt of stock and cash, and thus accelerates the settlement process for investors and brokers, enabling the stock to be traded over a much wider selection of brokerage firms by coming into compliance with their requirements.

The Company’s common shares will continue to trade on the Canadian Securities Exchange under the symbol APLV.
